Si w vle voye youn ankò (pa egzanp apre ou modifye resi a), gen yon sèl bouton **Notify** sou resi a, Arrivals, shipment, fakti ak kòmand: li voye imèl + WhatsApp ansanm. Kliyan ki gen yon kont sou sit la resevwa push + imèl; lòt yo resevwa imèl la sou adrès ki sou fich yo (si se yon vrè adrès, pa yon adrès pataje).

Ki lè	Ki sa ale	Pa ki moun

- Imèl pou yon kliyan ki gen yon fakti pa janm voye de fwa pou menm eta a; bouton Notify a fòse voye l ankò.
- Si yon imèl pa ka ale (pa gen imèl, imèl pataje, rezo), sistèm nan note poukisa; pou fakti yo, li eseye ankò poukont li.
- Sa mande sit la konekte (SUPABASE_URL, SITE_STAFF_EMAIL, SITE_STAFF_PASSWORD) ak fonksyon admin-mail ki ajou (redeplwaye l).

Kijan sistèm nan kalkile pri a

Chak pyès

- **Volim (Avyon)** = longè × lajè × wotè (pous) ÷ **132** → liv.
- **Pye kib (Bato)** = longè × lajè × wotè ÷ **1788**.
- **Avyon:** yo fakti sou **pi gwo** ant pwa reyèl ak volim.
- **Awondi:** 2 chif apre vigil; mwatye santim monte (5.085 → 5.09).
- Resi ki deja gen fakti kenbe ansyen fòmil yo (139 / 1728): fakti a pa janm chanje poukont li.

Frè

- **Avyon:** liv fakti × pri destinasyon an (**$4.50** estanda; kliyan ka gen pri pa li).
- **Bato:** pye kib × pri destinasyon an (**$16** estanda) + **$45** manipilasyon (mete otomatikman).
- **Asirans:** valè deklare jiska $2,213 → **$50 fiks**; plis → **3.5%** (egzanp $5,000 → $175).
- **Pickup** minimòm $20 · **Repacking** minimòm $10 · **Storage:** apre 30 jou, $10 pou chak 30 jou sou resi ki rete Miami (otomatik; chanje l nan Fees & rates).
- **Total** = transpò + lòt frè + asirans − kredi (pa janm negatif). Tout frè ak kredi parèt sou resi a, sou resi PDF la ak sou fakti a.
- **Kat kredi (sou balans lan):** Square invoice 2.9% + $0.30; kat prezan 2.6% + $0.10; manyèl 2.9% + $0.30 (estimatif).

Egzanp 1: Marie Joseph, Avyon (JPF-11018)

Pyès 1: 24×18×16, 40 lb	volim 52.36 lb → fakti 52.36
Pyès 2: 30×20×20, 20 lb	volim 90.91 lb → fakti 90.91
Total liv: 143.27 × $4.50	**$644.72**
Pickup	$25.00
Handling (ajoute a men)	$35.00
Asirans (valè $800)	$50.00
Total	**$754.72**
Peman Zelle	−$300.00
Balans	**$454.72**

Egzanp 2: Roseline Pierre, Bato (JPL-11019)

30×20×20 = 12,000 pous³ ÷ 1788	6.71 pye kib
6.71 × $16	$107.36
Manipilasyon Bato (otomatik)	$45.00
Total	**$152.36**
Li bay $200 → kredi	$47.64

L Pwoblèm komen ak repons
